

# Delineation Survey and Next Steps

**Barbara Schultz**

*Forest Health Program Manager*

Vermont Department of Forests, Parks & Recreation

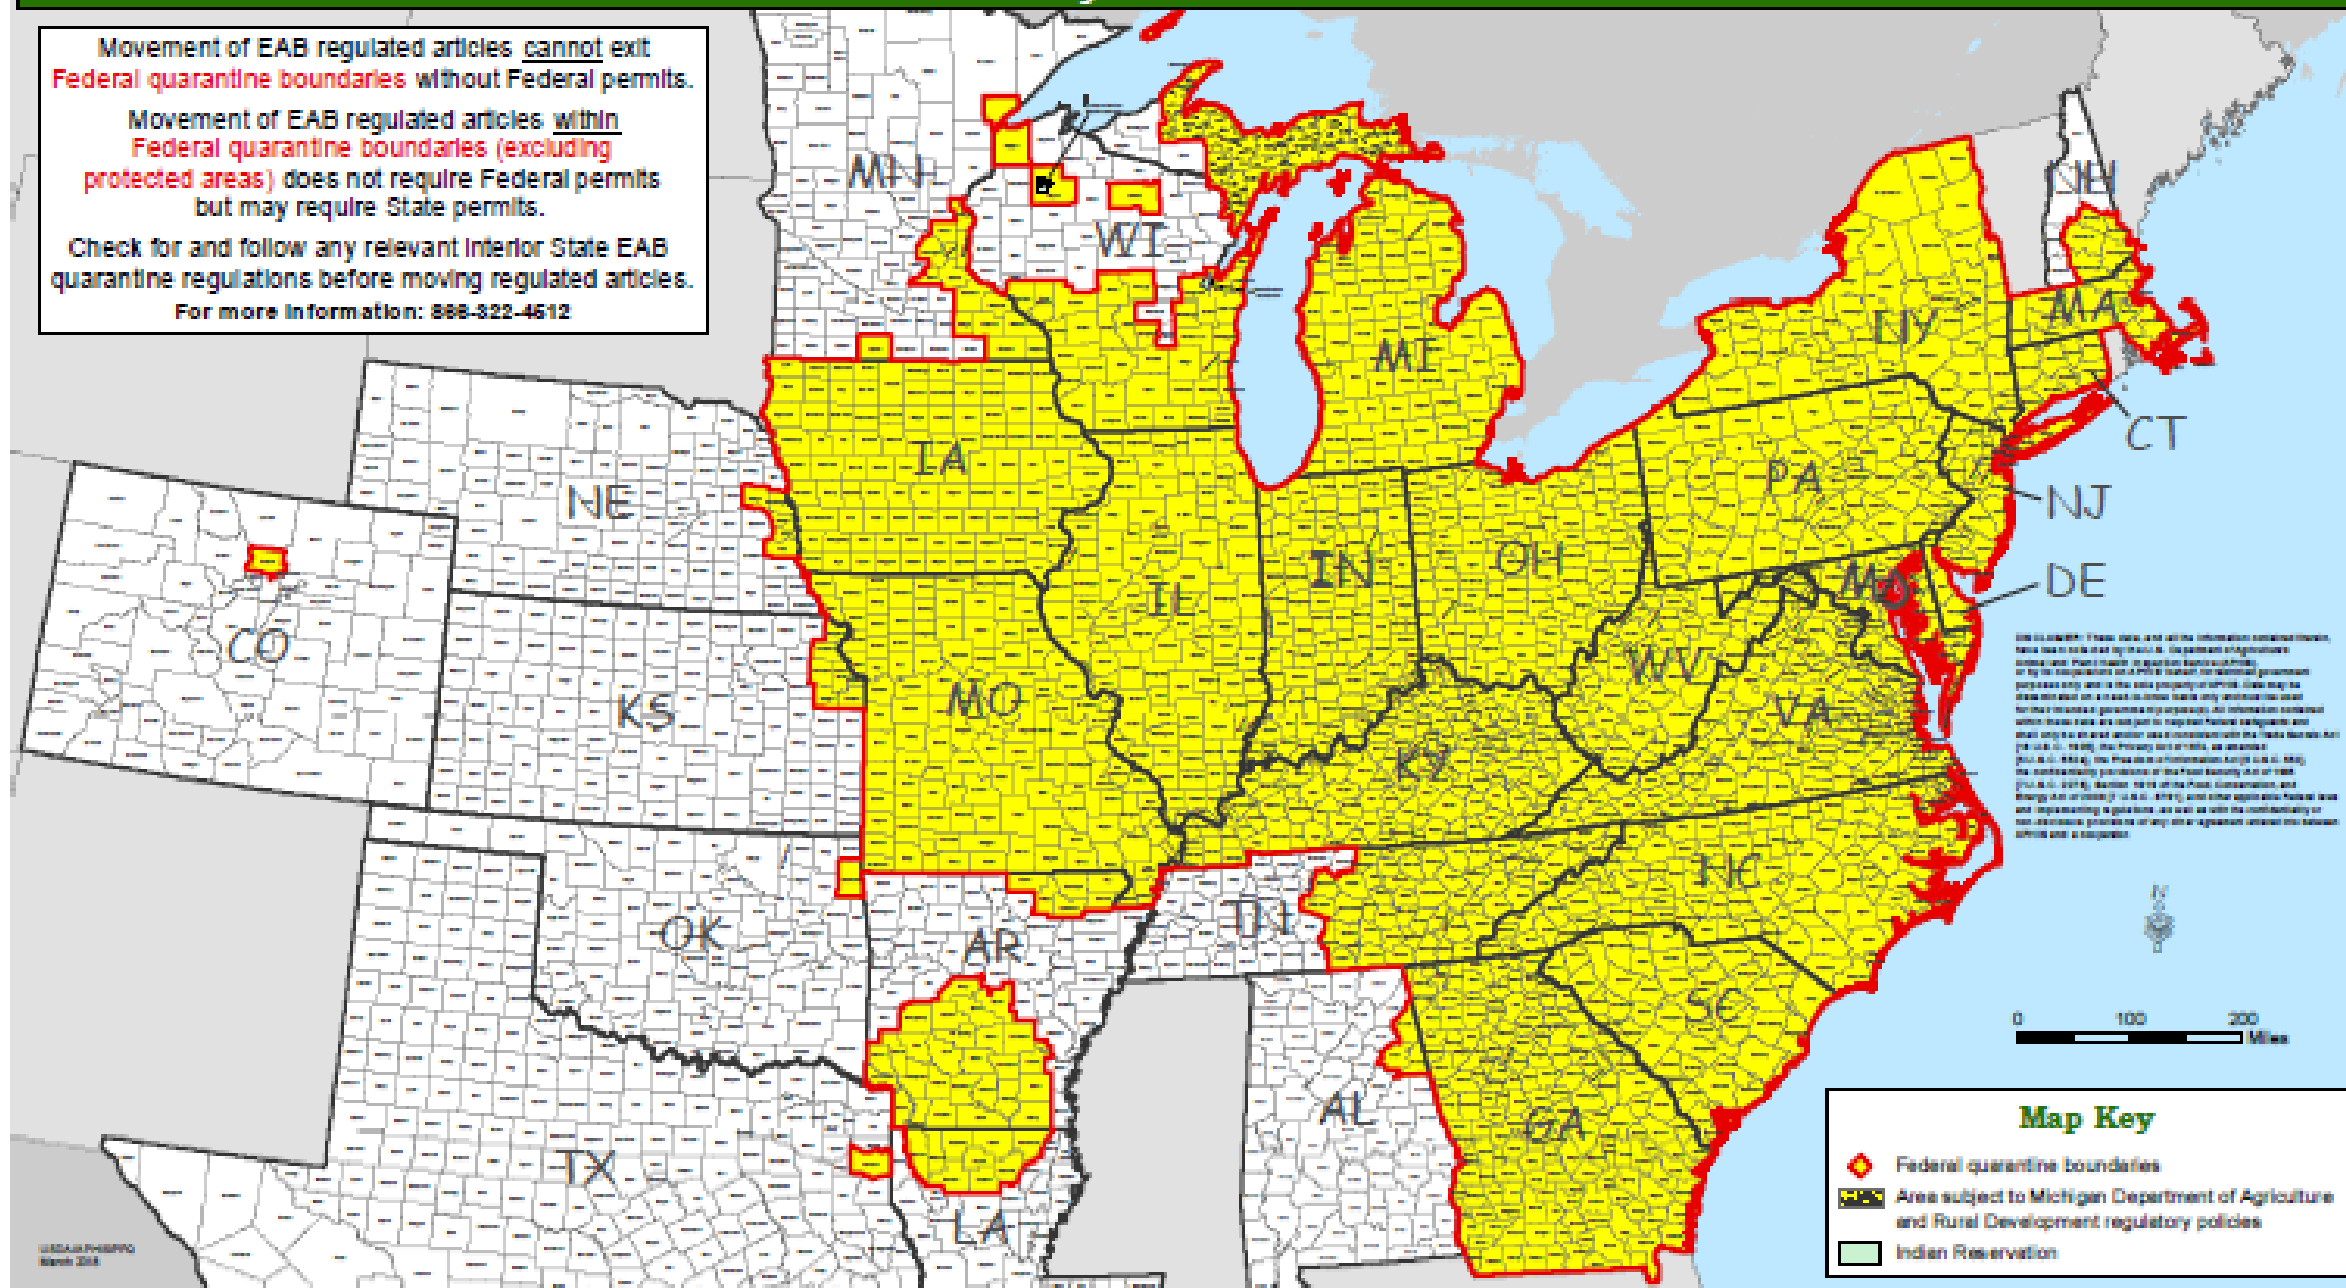

**Currently know of one location in one town.**

Movement of EAB regulated articles within Federal quarantine boundaries (excluding protected areas) does not require Federal permits but may require State permits.

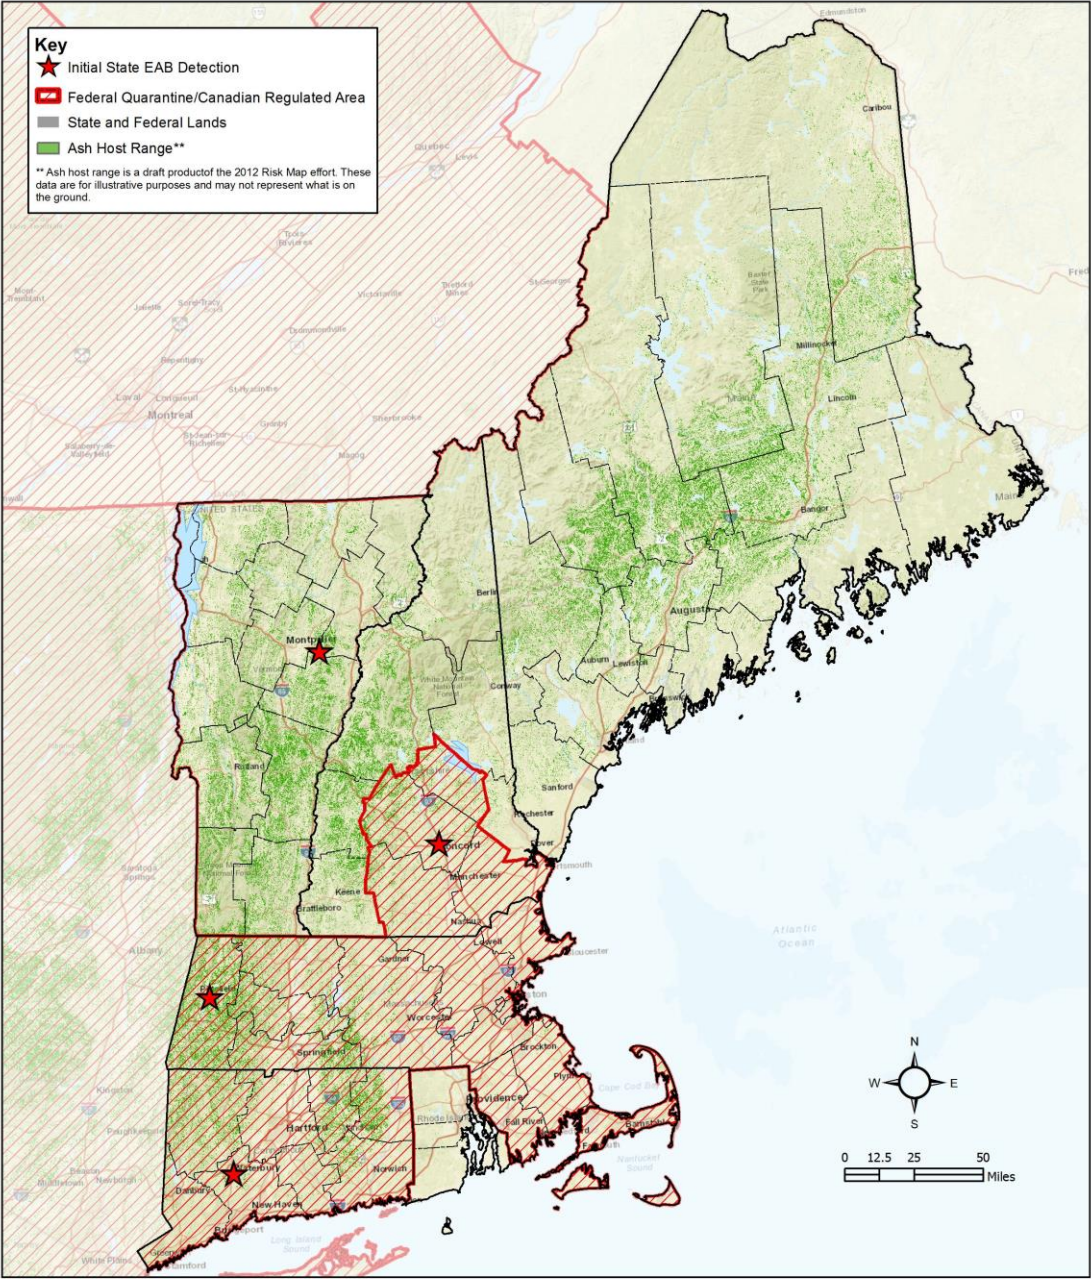

Check for and follow any relevant Interior State EAB quarantine regulations before moving regulated articles.

**For more information: 888-322-4512**

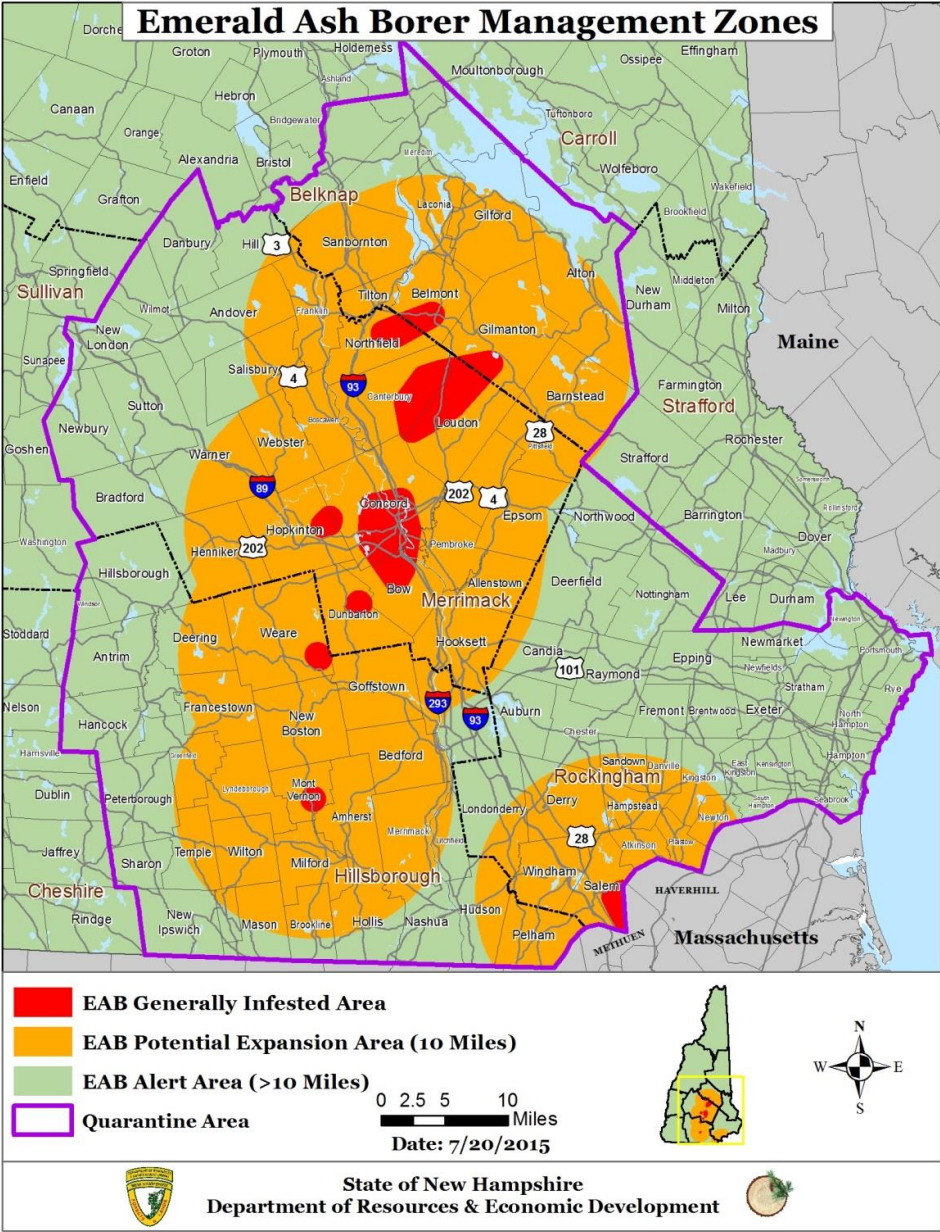

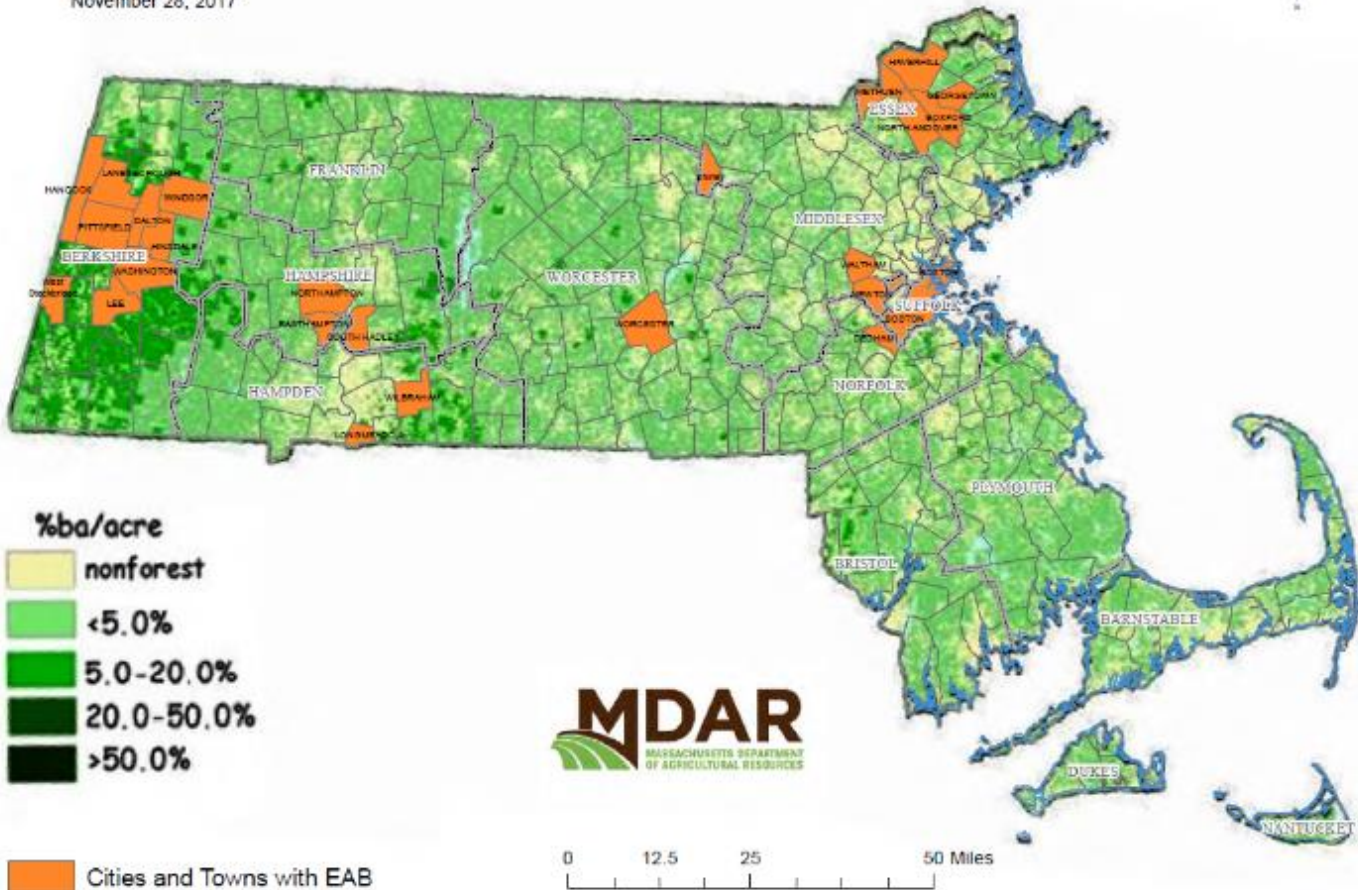

# Emerald Ash Borer Quarantine in New England

# Confirmed Emerald Ash Borer Infestations in Massachusetts

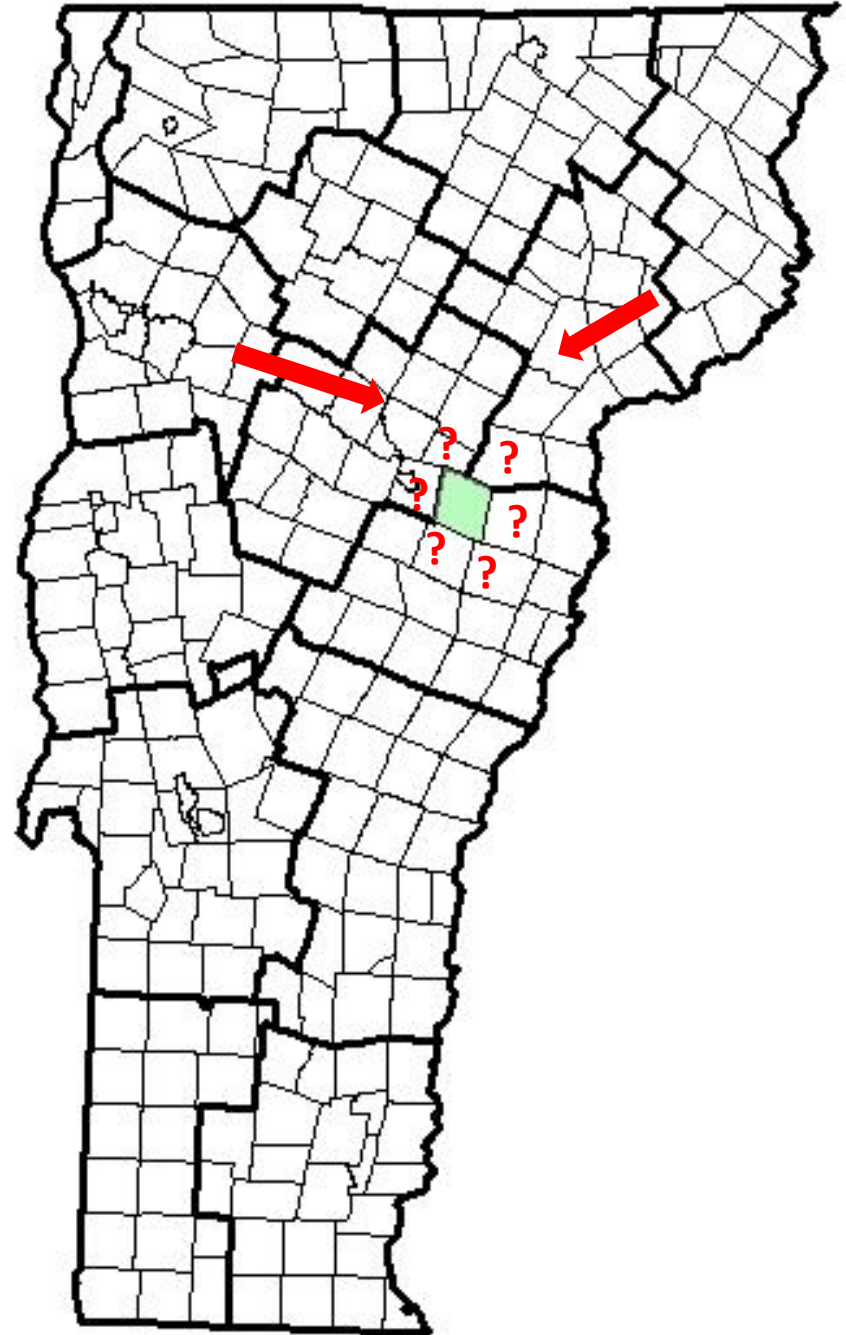

November 28, 2017

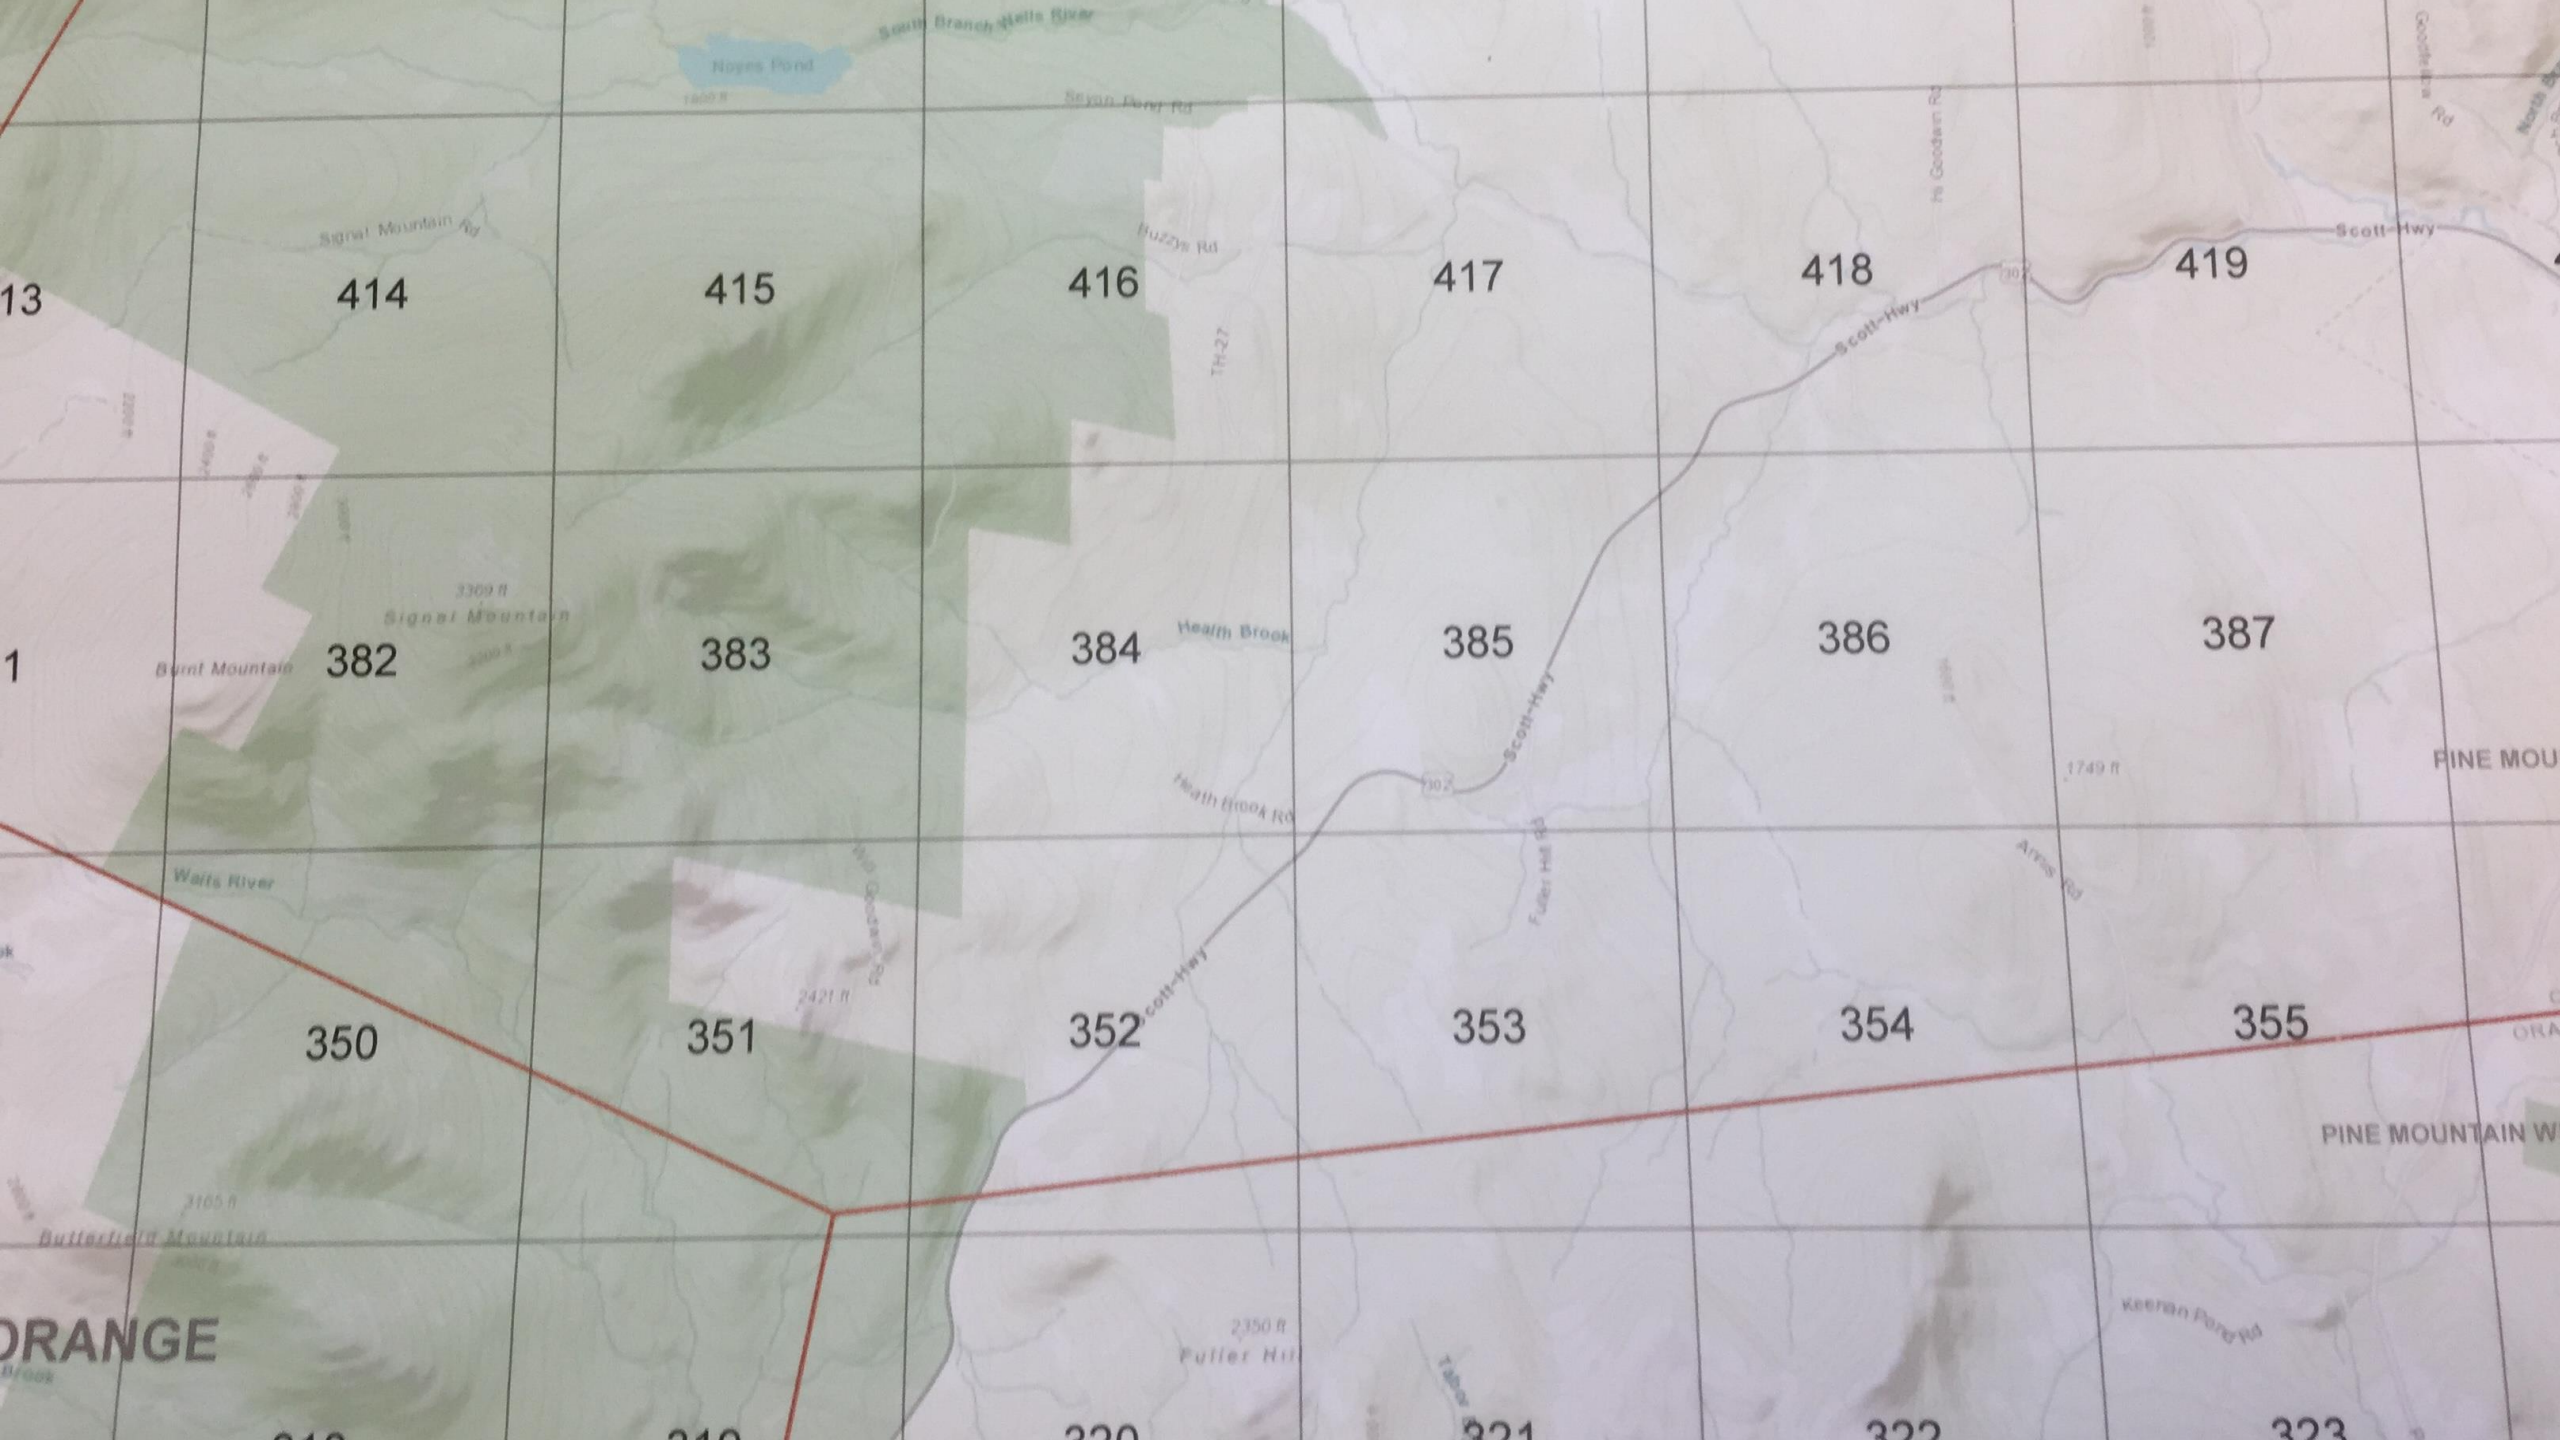

Immediate Objectives:

Is it in the neighboring counties?

What towns is it established in?

## Reporting an Invasive Insect

### Think You Found An Invasive Insect?

The sooner we find new infestations, the better our chances of slowing its spread to other trees nearby or to other areas, and of eradicating it where it has been detected. Click on the pest you want to report below and follow the instructions.

[Asian longhorned beetle \(ALB\)](#)[Emerald ash borer \(EAB\)](#)[Hemlock woolly adelgid \(HWA\)](#)[Other insect pest](#)

## Next steps:

Make the results available

Management recommendations

Implement a quarantine.
